Description

Contrast colors, full-length leggings, and opaque, high-stretch fabric define the Sahara. Flat-locked seams and quick-drying wicking properties prevent chafing. A deep elasticated waistband and carefully positioned seamlines create a flattering silhouette.

- Pinstripe legging with rouched ankles.
- Secret pocket at waistband.
- Flat seams for comfort.
- Shaped fit with low rise.
- 4-way stretch, moisture-wicking material.
