

Marco Lightweight Active Hoodie

\$74.00

Description

For cold-weather training or post-game layering, you need something more than a basic fleece. Our Marco Lightweight Active Hoodie brings both style and performance to the plate, court, or touchline. The smooth-faced, brushed-back fabric blocks wind and traps body heat, while integrated Cocona® fibers pull moisture away.

- Light blue heather full zip hoodie.
- Fitted flatlock seams.
- Matching lining and drawstring.
- Machine wash/dry.
